The process of accepting and concluding the contract will be processed electronically.
The information contained on the BSM website relating to the PROGRAMME, as well as in the leaflets or any other type of publicity material from the BSM regarding the same, is purely for informative purposes and does not bind the BSM in that which is not expressly provided for in these General Conditions. Once the actions described previously have been completed, the Applicant will receive an e-mail notification from the BSM relating to their admission to the PROGRAMME. It is understood that, as of the date of said notification, the Applicant will have a period of fourteen (14) days to exercise their right to withdrawal, in accordance with that established in the present General Conditions.

Should the Applicant not at the very least make the required payment to reserve a place and/or for the total price of the PROGRAMME before the 2nd of March 2018, the BSM reserves the right to assign the place to another Applicant, respecting the strict order of enrolment and complete payment for the price of the PROGRAMME.

An Applicant that makes the payment of €700 in order to reserve a place, but does not pay the entire balance for enrolment before the referred date, will lose all rights acquired and the amounts paid, allowing for their place to be assigned to another Applicant.

Enrolment to the PROGRAMME is entirely personal and non-transferable. As such, once duly formalised, the right to follow the PROGRAMME will only be given to the individual that has been identified as the Applicant. Accordingly, payment for the total price of enrolment is also personal and non-transferable, and cannot be used to cover the enrolment application of a third party distinct from the Applicant.

This training activity does not satisfy the necessary requirements to be subsidised by companies.

Cancellation for Default: The BSM can proceed with cancellation of enrolment to the PROGRAMME for default in the following circumstances:

- For non-payment, total or partial, of the price for the PROGRAMME, within the established periods.
- For any conduct that goes against the rules of coexistence and discipline that should govern life in the university community of the BSM and, in particular, for any behaviour, expression or content that is illegal, defamatory, offensive or that infringes on the values and dignity of the persons, carried out by the participant within the framework of the PROGRAMME and/or in the environment and spaces of the institution and/or those in which the institution imparts the PROGRAMME.

Cancellation of enrolment by the BSM for default will not in any case involve refund of the amounts paid up to that moment by the Participant.

5.- Right of withdrawal

Applicants admitted to the PROGRAMME will have a period of fourteen (14) calendar days from the date of their admission notification in order to withdraw. To do this they will need to communicate in writing their desire to withdraw through the withdrawal form created for this purpose by the IDEC Foundation, by post to the General Secretary at the following address: C/Balmes, 132, 08008 Barcelona or by e-mail to secretaria.general@bsm.upf.edu, attaching the signed withdrawal. Reimbursement of the amounts paid with the right of return will be made by bank transfer.

6.- PROGRAMME subject to changes. The right reserved to cancel the PROGRAMME
The PROGRAMME is a programme subject to changes.

The BSM reserves the right to cancel the PROGRAMME if it does not reach the minimum number of applicants necessary. In this case, the BSM will return to the Applicant the amounts paid up to this point, remaining exempt from any other additional responsibilities.

Furthermore, the BSM reserves the right to suspend or postpone the PROGRAMME. The BSM will communicate any suspension or postponement to the accepted Applicants with as much notice as possible. In such circumstances, the accepted Applicant can either accept the new impartation dates of the PROGRAMME proposed by the BSM or of course request to cancel the enrolment and receive reimbursement of the amounts paid to date.

7.- Requirements for successfully completing the PROGRAMME. Qualification

An indispensable requirement for a participant to successfully complete the PROGRAMME is a minimum of 80% attendance to the PROGRAMME teaching sessions (including visits to the companies that form part of it), as well as active participation in said sessions and visits and the preparation and presentation of the practical exercises that, where appropriate, can form part of the training at the discretion of the teaching body.

Upon successfully completing the PROGRAMME, the participant will receive a Certificate of attendance and achievement issued by the BSM, and another certificate issued by Fudan University. This PROGRAMME is not sanctioned with any official qualification from Pompeu Fabra University and/or any other University.

Participation to this PROGRAMME will not give the Participant any right to obtain a student ID card.

8.- Voluntary withdrawal by a Participant from the PROGRAMME

If a Participant decides to withdrawal from the PROGRAMME outside of the withdrawal period, they will have to formally request as such in writing to the BSM, for the attention of the General Secretary (currently located on the third floor of the Balmes Building, or by e-mail at secretaria.general@bsm.upf.edu).

Depending on the time at which the Participant formalises the aforementioned withdrawal request, the BSM will apply, on the amount paid by the Participant up to that point, the following withholdings:

.- If the withdrawal request is received by the BSM once the right to withdrawal period has expired, and by the 2nd of March 2018 (including the whole day, up to 6pm), the BSM will return to the Participant the amounts they have paid for enrolment up to that date, while retaining the amount of SEVEN HUNDRED EURO (€700) to cover management costs.
If the withdrawal request is received by BSM from the 2nd of March 2018 onwards (after 6pm), the BSM will retain the entirety of the amounts paid by the Participant up to this point.

If the amount paid up to the point when BSM receives the withdrawal request from the PROGRAMME was not sufficient to cover the aforementioned retention amount, the Participant will acknowledge the debt of that outstanding amount (which will be the remaining amount to entirely satisfy the total enrolment price for the PROGRAMME), and will have to settle this debt to the BSM within a maximum period of fifteen (15) business days.

9.- Rules of coexistence of the BSM and discipline

Enrolment to the PROGRAMME implies an obligation on the part of the participant to maintain appropriate and respectful conduct throughout all the relationships that they maintain and/or are formed during the PROGRAMME, with respect to all the groups that make up the university community of the BSM and Fudan University (the other participants of the PROGRAMME, the rest of the students at the BSM, the teaching body of the PROGRAMME and of the BSM, the administration and service staff of the BSM, university or collaborative staff provided for the PROGRAMME, etc.), complying with the rules of coexistence that are required of all participants in any training imparted within a university environment; in addition to the acceptance and compliance with the applicable laws of Spain and China.

A breach of the rules of coexistence on the part of the participants during the PROGRAMME (which would include the practice of criminal activities and any behaviour that interrupts the learning environment of classes or damages property of the BSM, of any of the other participants and/or teaching body, or of third parties) or a breach of the laws of Spain or China, duly accredited by any means of proof admitted by law, attributable to the Participant, will give the BSM the right to annul the enrolment of the participant for default. Termination of the contract for reasons attributable to the Participant and the cancellation of enrolment for default will lead to the termination of the contractual relationship and the Participant’s return to Spain, or their place of origin, with no charge to the BSM, and without prejudice to compensation for damages caused to the BSM and/or third parties.

10.- Protection of personal information

Personal information that is provided to the BSM, including what is provided throughout the contractual relationship as a student or previous student, will be entered into a computerised file system and used by the BSM, directly or through collaborative entities (in the present case, by third-party collaborators for the provision of the PROGRAMME in China as a training service, as well as for arranging accommodation, and also by the teaching body of the PROGRAMME), for the management, preparation and adequate monitoring of the PROGRAMME, including logistical management of the programme, management of the issuing of qualifications, as well as the management of payments and charges that needed to be made to the BSM, and for all matters that derive from the status of Participant in the PROGRAMME.
Through their enrolment and admission to the Programme, the Participant expressly authorises the BSM to temporally provide their personal information to Fudan University in Shanghai, an institution located outside of the European Economic Area, said relinquishment being an international transfer of information expressly authorised by the Participant of the programme, with the intention of complying to the provision of training services that are established in the present General Conditions. Furthermore, the information will be used for sending information about services of the BSM that may interest the Participant. This information will be sent electronically using their contact details, always in compliance with the current regulations in terms of electronic communication. Additionally, informed and express consent is given for the Foundation to provide this personal information to Pompeu Fabra University, for academic purposes and for the management of this entity, as cited previously. In compliance with Organic Law 15/1999, on the protection of personal information (LOPD), and its development regulations, it is advised that the BSM (Institute of Continuing Education Foundation), a foundation located at Calle Balmes, 132-134, in Barcelona (Spain), is the final recipient of this information and decides on the purpose, content and use of the treatment of personal information that is provided. Moreover, express authorisation is given to the BSM to set and reproduce the participant’s personal image, always in connection with their academic relationship with the BSM, in videos or photographs intended for reproduction or public communication in BSM corporate communications, with the aim of promoting its academic activities. Nonetheless, rights of access, rectification, cancellation and opposition (ARCO) of the information can be exercised in legal terms, by appealing in writing to the BSM Legal Counsel Department, at the address cited previously.

11.- Resolution of disputes

Whatever dispute that may arise from the interpretation of this document will be subject to Spanish law and the jurisdiction of the civil and/or commercial courts of the city of Barcelona, expressly waiving any other jurisdiction that may correspond.
